PURPOSE

To provide supplemental funding for a registered Scout of the Del-Mar-Va council, and those of American Indian Heritage from any council attending a Del-Mar-Va Council summer camp, whose parents/guardians and unit leader certify is unable to pay the total cost for any outdoor program or event. Further, they acknowledge that the Scout is deserving of the grant, and sincerely interested in participating in the outdoor program. FUNDING IS LIMITED, AND SHOULD ONLY BE REQUESTED BY THOSE IN FINANCIAL NEED. Youth members are expected to earn their own way in Scouting. Teaching youth members to be self-reliant and to earn their own way is an integral part of training our youth members. Youth must learn to pay their own way and to honestly earn the money to do so. Camperships may be used for in or out of Council camps and events.

RESTRICTIONS

It is required that the youth, his family, and the unit or sponsoring organization make some contribution. The unit should sponsor a camping fee fundraiser, thereby allowing youth to earn the necessary camp fees. The unit should also provide a savings plan, whereby the family can contribute weekly towards the camp fees.

All applications are considered on the basis of need. Availability of camperships is dependant upon the Council's ability to fund them. Funding will be limited to no more than 50% of the program fee.

Campership applications must include all requested information. Incomplete applications will not be considered. Camperships must be received in the council office no later than April 1st for summer resident camp programs, no less than 30 days prior to the event for all others.

Mail complete campership applications to:
Del-Mar-Va Council
1910 Baden Powell Way
Dover, DE 19904

Scouts must be registered with the unit, and all fees except the amount requested as financial assistance must be paid prior to the award being applied to the Scout's account.

NOTIFICATION

The unit leader listed on the campership application will be notified by mail of the amount of the grant as soon as possible. If the request is denied, or the amount of the grant is less than requested, the applicant will have until the unit's camp date to pay the balance of the fees without penalty.

ATTENTION CUBMASTERS AND WEBELOS LEADERS

Scouts completing their second year of Webelos should be advised to make arrangements to attend summer camp with the troop they intend to join. You should initiate a summer camp savings plan and sponsor a camp fee fundraiser for them to assist with summer camp fees. Give this money to them or to the troop they will be joining. These opportunities may be completed by the troop before the Webelos get there. Being new to the troop is not a valid reason to apply for campership funding, and the troop may be going to an out of council camp that has a different payment schedule. Be sure to introduce Webelos to troops by February at the latest.

QUESTIONS

Questions should be directed to the Camping Department at 302-622-3300 ext 127 or 1-800-766-7268 ext 127.
