

2019 Area 1 Klondike Derby

When: January 18 - 20, 2019

Where: Rodney Scout Reservation,
400 Rodney Scout Road
North East, MD 21901

The Klondike will be a full day competition of stations, which will rely on patrol method and scouting skills. The top patrol will be awarded the Golden Nugget for a year, which is the annual trophy that passes from annual Klondike winner to winner.

At the end of the day there will be a long-distance sled race, as well as a Sled Sprint. Trophies will be awarded to the top patrol in each event.

Stations will be run and sponsored by the troops. We are requesting volunteers from the troops, at the minimum, one adult per troop and we are asking for 1 older scout per troop. The adult scouts will be part of the event's core staff (leadership training opportunity). The adults will help in facilitation of other activities that cannot be assigned to the scouts
