Dear Scouts and Scouters,

Here at Henson Scout Reservation, we have recognized the need for hands on, interactive merit badges to supplement the vast number of online badges that have been offered since early Spring. With this in mind, we have put together the 3rd Saturday Merit Badge Series.

As always, the health and safety of all involved in our programs is our top priority. As such, several policies will be in place each and every Saturday:

- Participants should complete the Pre-Event Checklist (located at the end of this guide) prior to leaving home
- Participants will have their temperature taken upon arrival at camp
- Masks must be worn whenever appropriate social distancing is not possible
- Equipment will either not be shared or will be sanitized between uses
- Participants should carry a personal hand sanitizer bottle
- Participants will bring their own bagged lunch

Please take the time to review the specific information for each merit badge that you or your scout is participating in. Failure to have the proper clothing or paperwork may result in a scout not being able to participate in the badge.

We are thrilled to provide this opportunity to help keep the OUT in ScOUTing. Your scouts are sure to have a memorable experience as they learn from some of the best Summer Camp Counselors and Camp Volunteers in the country!

If you have any questions or concerns, do not hesitate to reach out to me at ryanteat@dmvc.org.

Yours in Scouting,

Ryan Teat
Camp Director

HSR Pre-Event Medical Screening Checklist

Use this checklist to assist in identifying potentially communicable diseases before event participation. The intent of this checklist is to review with each youth and adult participant their current health status, both before departure and upon arrival at the event. Anyone entering a camp or event — including visitors, vendors, etc. — should be screened using this checklist.

- Yes  No  Have you been in contact with anyone who has COVID-19 or is otherwise sick?
- Yes  No  Have you or anyone you have been in close contact with traveled on a cruise ship, internationally, or to an area with a known communicable disease outbreak in the last 14 days?

**If the answer is “yes” to either of these questions, the participant must stay home.**

- Yes  No  Are you in a higher-risk category as defined by the CDC guidelines?  If the answer is “yes” to this question, we recommend that you stay home. Should you choose to participate, you must have approval from your healthcare provider and then proceed to the symptom decision tree below.

**If the above answers are “no,” proceed to this symptom decision tree.**

- Shortness of breath
- New or worsening dry cough
- Fever of 100.4º or greater
- Flu-like symptoms
- Vomiting
- Diarrhea

NONE

- Cough
- Unexplained extreme fatigue or muscle aches
- Rash
- Sore throat
- Open sore

YES to any TWO or more symptoms

THE PARTICIPANT MUST STAY HOME
These symptoms are associated with communicable diseases and the participant MUST stay home until medically cleared by their health care provider.
