

WAIVER, RELEASE, INDEMNIFICATION

I, _____, the undersigned, understand that participating in the STEM Academy at Delaware Technical and Community College, may expose me to certain risks to my personal safety. I understand that following the instructions of the supervisor will aid in minimizing those risks. I agree to comply with the instructions and directions of all instructors and supervisors. I believe that I have no physical or psychological problems that would prohibit my safe participation in this training, and believe myself to be in good physical condition. I understand, too, that although Delaware Technical and Community College has taken precautions to provide proper equipment and qualified supervision, it is impossible to guarantee my absolute safety. I understand that I share in the responsibility for my safety, and I assume that responsibility of my own free will. I recognize that there are risks of injury that may arise due to my participation in this event. It is not possible to specifically list each and every possible injury. However, knowing the material risks involved, and reasonably anticipating that injuries and even death are a possibility, I hereby expressly assume all possible risks of injury and even risk of death, which could occur by reason of my participation in the above-referenced internship.

In consideration for my participation in the experience, I assume all of the above risks and shall hold harmless, indemnify, and defend the Delaware Technical and Community College, its trustees, employees, officers, and agents, from any and all liability including negligence actions, claims, debts and demands of every kind whatsoever which occur directly or indirectly as a result of my participation in this internship. The terms of this release and assumption of risk serve as a release and assumption of risk for my heirs, executors and administrators.
