

Venturing - The Adventure of for Young Adults in Scouting

- **Venturing** is a youth development program of the Boy Scouts of America for young men and women who are 14 (and have completed the eighth grade) through 20 years of age. Venturing's purpose is to prepare young people to become responsible and caring adults. For information to start a Venture Crew see this site [Click Here](#).
- **Sea Scouts** is a specialized segment of the Venturing program, which was organized to address how young men and women can learn to sail, motorboat, and do a variety of marine based activities while obtaining the knowledge of our maritime heritage. To learn where and how to start or join a ship visit: [Click Here](#).
