Boy Scout Summer Camp

Boy Scout Troops have the opportunity to camp year round at beautiful Rodney and Henson Scout Reservations. During the summer, Boy Scout Troops are invited to attend:

Rodney Scout Reservation 944 acres of unparalleled beauty boasting a mile of waterfront on the Chesapeake Bay in Cecil County, Maryland.

Henson Scout Reservation 1889 acres of unique wilderness bordered by the Marshyhope Creek and Nanticoke River in Dorchester County, Maryland.

Each has a unique location with breathtaking scenery, a top notch advancement program, and high adventure opportunities for your older, more experienced Scouts.

High Adventure Sailing on the Chesapeake is for the adventure seeking sailor. Each crew creates their own week-long adventure sailing the open waters of the Chesapeake and visiting various ports of call.

Once on the camp's page you can click the button to the Registration page
