

JENN CHELLEW

Jenn has proudly called Delaware home since graduating from the University of Delaware—where she also met her husband of 26 years, Tom. Together, they’ve raised three amazing sons: twins Chris and Brendan, both Eagle Scouts, and Jon, who progressed to a Second Class Scout. Their home is also shared with two laid back labs, Winston and Chloe.

Jenn’s Scouting career began when her twins joined Pack 301 (Summit UMC in Middletown, DE) as Tiger Cubs. She co-led Den 1 with her friend Sital, until their younger sons joined the pack and Sital started a den for them. Jenn continued leading Den 1 until the boys crossed over into Boy Scouts, at which point she transitioned into a broader volunteer role with Troop 301. Her contributions included organizing the troop’s uniform bank, leading merit badge sessions, and serving on Boards of Review for rank advancements.

In 2018, Jenn, Tom, and their three sons trained together for a Philmont trek—a highlight in many Scouts’ journeys. Unfortunately, wildfires that June led to the cancellation of their trip. Despite the setback, Jenn remained deeply involved and in 2019, proudly watched five of her seven original Cub Scouts from Den 1 earn the rank of Eagle. One of them honored her with a Mentor Pin, recognizing her impact as a Den Leader.

Jenn’s dedication to Scouting continued to grow. She currently serves as Vice President of Marketing and Executive Board Member for the Del-Mar-Va Council of Scouting America, where she led a major redesign of the council’s website. In recognition of her outstanding service, Jenn was awarded the Silver Beaver in 2025.

Outside of Scouting, Jenn is the Senior Vice President of Marketing at Transact + CBORD, driving the company’s strategic growth initiatives with energy and vision. She leads her neighborhood Civic Association as President, and volunteers regularly with Adopt a Family and Adopt a Grandparent. At work, she also champions inclusion and connection as Membership Chair of the Transact + CBORD Women’s Interest Network.
