

Adopt-a-School Program

Pledge Letter

We, _____ (unit name/number), pledge to adopt _____ (name of school) for a period of one school year, beginning _____. We will fulfill our commitment by completing a minimum of one volunteer service project by spring break through the time and talent of our Scouts and Scouters. We look forward to working with the principal and staff to identify the school's needs and establish a plan that will bring meaningful progress.

We are honored to serve in this way, and through volunteer service we hope to contribute to the advancement of this school and to the spirit of community between our scouts and our adopted school. At the end of the year, the unit and school will receive a certificate recognizing completed projects and the year's overall success.
