

GLENN MOORE

Glenn Moore was born and raised in Newark Delaware and graduated from Newark High School. He then attended the University of Delaware graduating with a Bachelors and Masters Degree in Economics. Glenn retired from Delmarva Power two years ago, where he worked in many positions since starting in 1985. Glenn has two children, Nick and Alexa, and was very involved in his children's early athletic experiences coaching both in basketball and soccer from kindergarten through the eighth grade.

Glenn's scouting experience began as a Webelo in Troop 603 of Newark, Delaware. His youth scouting experience didn't last long and most of his scouting career was as an adult. Glenn joined the board of the Del-Mar-Va Council in 2006. After two years on the board, Glenn joined the Executive Committee as Vice President of Properties. During his tenure as VP, the Del-Mar-Va Council purchased the property that would eventually become the Akridge Scout Reservation in Dover, Delaware.

In June 2010, Glenn became the President of the Del-Mar-Va Council. The board, the volunteers, and the staff worked diligently to achieve the following: two consecutive years of membership growth, record attendance at the council's camps, the opening of the Akridge Scout Reservation, two JTE gold awards, and successfully navigating the challenging membership standards in 2013, just to name a few.

Glenn now enjoys the retired life of golf, travel and his 4 grandchildren.
