- Over 8.5 million hours of work on projects
- About 3,000,000 Eagle Scouts since 1912
- In 1912, there were 23 Eagles. There were only 5 merit badges required (Athletics, First Aid, Life Saving, Personal Health, Public Health).
- About 3% of all eligible Scouts since 1912

**Be Aware.....**

has the authority to ADD to or SUBTRACT  
from any BSA advancement requirement.**

# To Achieve the Eagle Scout Rank

## a Scout Must

- ❖ **Earn six prior Scouting Ranks**
- ❖ **Meet about 55 achievement requirements**
- ❖ **Satisfactorily complete several hundred tasks**

# Steps to Eagle

- 3. Merit badges**
- 4. Positions of responsibility**
- 5. While a Life Scout, plan, develop, and provide leadership to others in a service project**
- 6. Scoutmaster conference**

# Requirement 1. Participation

**Be active in your troop, team, crew, or ship for a period of at least six months after you have achieved the rank of Life Scout.**

❖ **Mastery of Scouting skills & personal character growth cannot happen without participation.**

❖ **Participation goals may vary from unit to unit.**

# Requirement 1. Participation

Since we prepare young people to go forth, and essentially, make a positive difference in our American society, we judge that a member is “active” when his/her level of activity in Scouting, whether high or minimal, has had a sufficiently positive influence toward this end.

1. The Scout is registered.
2. The Scout is in good standing.
3. The Scout meets the unit’s reasonable expectations, or, if not, a lesser level of activity is explained.

If a Scout has fallen below their unit’s activity-oriented expectations, then it must be due to other positive endeavors—in or out of Scouting—or to noteworthy circumstances that have prevented a higher level of participation. In this case a Scout is considered “active” if a Board of Review can agree that Scouting values have already taken hold and been exhibited.

## **Requirement 2. Scout Spirit**

**As a Life Scout, demonstrate that you live by the principles of the Scout Oath and Scout Law in your everyday life and tell how you have done your duty to God. List the names of individuals who know you personally and would be willing to provide a recommendation on your behalf.**

- ❖ Scouting ideals are reflected in the character of an Eagle.
- ❖ He or she sets the example, not only in the Scouting setting, but in every facet of their life.

## **Requirement 2.**

# **Letters of Recommendation**

**List the names of individuals who know you personally and would be willing to provide a recommendation on your behalf. These may be Scout leaders, teachers, employers, coaches, other Scouts, etc. References do not need to be 21 or older. Parents and other relatives are strongly discouraged from serving as references. The current unit leader and committee chair are not eligible to serve as references.**

- ✿ You will list these on your *Eagle Scout Rank Application*.
- ✿ You will ask these people to write letters of recommendation to be attached to your Eagle Application.

## Req. 2. Scout Spirit Cont. - References

- ❖ **The Board of Review requests reference letters to be provided by the unit leader to the Eagle Board Chair.**
- ❖ **The Scout is responsible for requesting references from the four people listed on the application—this is a valuable life skill. Electronic submissions are allowed but confidentiality must be maintained.**
- ❖ **Requested references should be sent to a designated unit leader (SM or AC) in advance of the Eagle Board of Review**
- ❖ **Although the Scout may assist with any contacts that do not respond, it is the responsibility of the unit to follow-up, not the Scout's**

# Requirement 3. Skills

**Earn a total of 21 merit badges (14 required badges).**  
**List the month, day, & year the merit badge was earned.**

**The Merit Badge Program promotes:**

- **Basic character-developing tools**
- **Opportunity to learn career skills**
- **Develop physical fitness...**
- **Hobbies and interests for a lifetime**
- **Contact with adults with whom you may not be acquainted**
- **All requirements must be completed prior to 18<sup>th</sup> b-day**
- **Eagle application dates must match Council Records**

# Requirement 3. Merit Badges

badges required for the  
Eagle rank.**

**Emergency Preparedness OR**  
**Lifesaving**

**Family Life**  
**First Aid**  
**Personal Management**  
**Swimming OR Hiking OR Cycling**

# Requirement 4. Leadership

- May be elected by peers or assigned by the Scoutmaster
- **6 Months is the MINIMUM, more than one position may be held**
- **On the Eagle Application list only positions held while a Life Scout**
- **Serve Actively means: Must do the job - Not just wear the patch**
- **Approved troop positions are:** (Venturing Crew- Check latest Eagle Scout Application)

Senior Patrol Leader	Troop Scribe	Patrol Leader	Instructor
Asst. Senior Patrol Leader	Troop Librarian	Chaplain aide	OA Rep
Jr Asst. Scoutmaster	Troop Historian	Den Chief	Troop Guide
Outdoor Ethics Guide	Webmaster	Troop Quartermaster	

- **The Scoutmaster may assign a special leadership project in place of a Position of Responsibility - for Star and Life, NOT for Eagle.**

# Requirement 5. ESSP

While a Life Scout, **plan, develop, and give leadership to others in a service project** helpful to any religious institution, any school, or your community. (The project must benefit an organization other than the BSA.) A project proposal must be approved by the organization benefiting from the effort, your unit leader and unit committee, and the council or district before you start. You must use the Eagle Scout Workbook (latest version 2023a – 2/23), in meeting this requirement. (To learn more about the Eagle Scout service project, see the *Guide to Advancement*, section 9)

  - ❖ A Scout is thrifty... they help to pay their own way
- ❖ Must be planned and carried out by one Scout - no joint projects

# **ESSP – \*Beneficiary approval!!!**

- **Prior to selecting your project make sure to find a beneficiary you can work with and will provide the guidance you will need on what they are looking for.**
- **Make sure the person you are working with can make decisions on the behalf of the beneficiary organization. You cannot begin work until the beneficiary signs off on your project.**
- **Communication with the beneficiary should be maintained at all times to make sure your work and the beneficiary's visions are aligned. Also make sure that you avoid "project creep". Stick to the approved plan. If the beneficiary requests additional work it must be in the scope of the project.**
- **If your project deviates significantly from your plan, you will need to consult the Eagle Project committee and potentially the District Eagle Board Chair.**

- ❖ **What will be most difficult about leading those who are helping?**
- ❖ **What leadership skills will be important?**

# ESSP – Materials, Supplies and Tools

- **Materials (Stuff used and left behind)**
- **Supplies (Stuff used up)**
- **Tools (Equipment used to complete the project)**

## All three lists should

- These are general lists of items needed to meet the project goals
- Be as thorough as you can, does not have to be 100% complete but must show good thought
- Does not require detail research for material quantities.
- Lists should coincide with safety issues (ie. Dehydration, include water, Power tools, include eye, ear, lung and hand)

# ESSP – Permits, Cost and Funding Project

## ❖ Permits and Permissions

- ❖ Some projects will require permission beyond that which the beneficiary provides such as building permits or Miss Utility. Indicate these and be sure to allow plenty of extra time to obtain these.

## ❖ Preliminary Cost Estimates

- ❖ Will need to do some research to estimate the cost of Materials, Supplies, Tools, and miscellaneous. Do not just make guesses! NOTE: Lumber and many building supplies have gone up significantly over the last several years! Also, some supplies may be in short supply!!! Seek out contractors for used or surplus materials!
- ❖ Should only be considered for things that will be consumed by the project (don't estimate costs for tools you will borrow).

## ❖ Fund Raising

- ❖ Explain with some details how you plan to raise the money for the project.
- ❖ Think of fundraisers that have leadership opportunities.
- ❖ The Fundraising Application is part of the approved project and must be completed if criteria are met.
- ❖ Remember that a Scout is Thrifty

# ESSP

## Fundraising Application

- ❖ The Eagle Scout Service Project Fundraising Application must be used to obtain approval for service project fundraising or securing donations of materials.
- ❖ It is not necessary for contributions from the candidate, parents or relatives, the unit or its chartered organization, parents or members of the unit, or the beneficiary.
- ❖ All money left over, regardless of the source, goes to the beneficiary.
- ❖ Fundraising Application should be submitted to the Eagle Board of Review Chair along with the project proposal.

  - ❖ Contact Miss Utility
  - ❖ Complete the fundraiser and project
  - ❖ Complete the project workbook
  - ❖ Send thank you's to those that made my project a success

## ❖ Logistics

# ESSP – Safety and Further Planning

## ◆ Safety Issues

- ◆ List as many potential safety hazards and concerns as you can think of in this section. (Include required items in the Tools, Supplies and Materials sections). Some examples are: Dehydration, Splinters, Hitting fingers with hammers, Puncture wounds, Lacerations, Poisonous plants, electrocution, debris in eyes, loud noise, blisters, etc.. Make sure to check and reference *The Guide for Safe Scouting* to make sure that jobs and equipment are age-appropriate!

## ◆ Further Planning

- ◆ These are the steps you plan to take in completing your detail plan - NOT the steps needed to execute the plan.

- ✿ **Your Statement of Ambitions and Life Purpose is your opportunity to tell the Eagle Board what you view as your goals for the future! This may include if you plan to seek higher education, attend trade school, go into the military, pursue public service, etc. It may describe how you see or plan your life in the next 5, 10, or more years for a career, a family, community activities, travel, and involvement in Scouting.**
- ✿ **You may include your background in Scouting and how it has prepared you for your future but it is not a look back on your past and all the things you did as a Scout. It is your vision of how you see your future and what you intend to do to make it happen!**

If you must reschedule, contact the Eagle Board Chair immediately.

Eagle Scout Boards of Review are usually held on Sunday evening; up to twice each month
- ❖ Eagle Boards in Southern Blue Hen District  
Eagle Scout Boards of Review are usually held on the second and fourth Monday evenings

# Eagle Board of Review

## Purpose

- ❖ **The Eagle Board of Review will review and approve the manner in which the Eagle Scout Service Project was carried out.**
- ❖ **The Board will review the candidate's participation in the Scouting program, the statement of ambitions and life purpose, and demonstrations of leadership and the Scout Oath and Law outside of Scouting.**
- ❖ **The Board will consider how well the candidate will represent the values and fulfill the responsibilities of an Eagle Scout.**
- ❖ **The Scout should bring a hard copy of the Eagle application packet and the Scout Handbook to the Board of Review.**

# What to expect in your Eagle Board of Review

- ❖ The Board will last approximately 45 minutes to 1 hour. This will be an in-person board. Zoom is optional but not recommended unless the Scout cannot attend at the designated location.
- ❖ The board will consist of approximately 3-5 adult Scouters from Blue Hen District and may include a member of your troop committee. Your Scoutmaster will also be in attendance but only to act as your advocate and for support and will not participate in the Review. No other individuals will be allowed to attend the Board session until a decision on your application is made.
- ❖ During your board you will be asked a number of questions of which there is no right or wrong answer. Some will be questions of your Scouting history, some will be about your thoughts of the Scouting program, The Scout Law, Scout Oath, etc., and there will be questions about your project.
- ❖ Following the interview period the Board will meet without the candidate or Scoutmaster and will determine whether the candidate passed the Board. The decision must be unanimous.

# Examples of Board Questions

- **There is no specific set of questions that an Eagle candidate should be asked.**
- **There are no right or wrong answers, but simple yes and no answers are rarely sufficient. A thorough discussion of the candidate's successes and experiences in Scouting should be considered.**
- **Tell us what merit badge you learned the most?**
- **What was your favorite experience in your Troop?**
- **What is your style of leadership?**
- **What is your favorite meal to cook on a campout, and why?**
- **What would you change about the Scouting program if you could?**
- **How do you deal with leading Scouts that are older than you, younger than you?**
- **What does "Duty to God" mean to you?**

# Eagle Board of Review

## Decision

- When the Board's deliberations are complete, the candidate is asked to return.
- If the Board of Review was acceptable, the candidate is informed of the Board's decision to recommend award of the Eagle Scout rank.
- If the candidate does not meet the requirements, the candidate is told the reasons for failure to qualify. A discussion will be held as to how the requirements may be met within a given period and the Board of Review will be adjourned until then. Should the applicant disagree with the decision, the appeal procedures should be explained.

# Eagle Application

## Council Review

- ❖ **After the Board of Review and after the application has been appropriately signed, the signed Eagle Application is returned to the council service center.**
- ❖ **When the application arrives at the Council service center, the Scout executive signs it to certify that the proper procedure has been followed and that the Board of Review has recommended the candidate for the Eagle Scout rank.**
- ❖ **Only the Eagle Scout Rank Application is forwarded to the national Eagle Scout Service.**

# Eagle Application

## Review by National

- ❖ **The Eagle Scout Service screens the application.**
- ❖ **Any item not meeting national standards will cause the application to be returned for more information.**
- ❖ **Eagle Scout certificate is sent to the local council. The date used on the certificate will be the date of the Board of Review. The Eagle Scout Court of Honor should not be scheduled until the local council receives the Eagle Scout rank credentials.**
- ❖ **The Eagle patch, medal and pins may be purchased from the Council Scout Shop.**
- ❖ **After earning the Eagle Scout Award, a Scout may work to earn Eagle Palms before the Scout's 18th birthday. Palms must be earned one at a time, in the order of Bronze, Gold, and then Silver.**

# Extension Requests

- ❖ If a Scout foresees that due to no fault or choice of his or her own, it will be impossible to complete the Eagle Scout rank requirements before age 18 may apply to the local council for a limited time extension. These should be granted only when necessary and are reserved only for work on Eagle. In most cases, unless the National Council has issued other direction, a request must meet the three tests listed below to be approved.
  - ❖ **Test #1:** The member joined or rejoined (or became active again after a period of inactivity, or became refocused on advancement after a period of inattention) in time to complete all requirements before turning 18.
  - ❖ **Test #2:** Through no fault or choice of the Scout, an unforeseen circumstance or life changing event with severe consequences has come to exist that now precludes completion of the requirements before the deadline.
  - ❖ **Test #3:** The circumstance is beyond the control of the Scout, could not have been anticipated or planned for, and was not or cannot be resolved in time to complete the requirements.
- ❖ **Extensions are never guaranteed! Extensions are only approved in emergency circumstances as noted above. DO NOT RELY on an EXTENSION!**
